

Mr. Dumpling: Fine Chinese Food Made Fast

by MERLE ROSENSTEIN
Great Dining Columnist

A bold new concept in fast food, Mr. Dumpling's family recipes and the freshest ingredients create fabulous Chinese fare. According to Manager Julie Xiao "when you first walk in (the door) it looks different – it doesn't look like Chinese

fast food".

Winner of Ontario's Eat Smart Award of Excellence in 2009, this bright modern Milton Restaurant caters to all tastes - vegetarians, calorie counters, the business crowd, students and families, with a quick healthy meal.

You won't find MSG anywhere on the huge menu – in the signature dumplings (the

crab cheese dumplings are to die for!), seven different types of noodle dishes, traditional Chinese favourites and tempting Thai cuisine.

Join the many regulars making Mr. Dumpling their mainstay for quality Chinese food.
